

Mardi Gras Murder!

The Party never stops at Mardi Gras...
Not even for murder!

Join us as we celebrate a night of mystery and intrigue with our Mardi Gras Murder Mystery on Saturday March 26th at 6:30pm

The Hilltop was hosting the premiere Mardi Gras celebration during Carnival Season. It's the place to be - where the city's finest flock to be part of their electrifying bashes. The evening was in full swing with guests enjoying one of the best parties of the year. Then to their shock- One of the guests had been murdered by a cold-blooded, callous killer and the murderer was still among them!

Do you have the sleuthing skills to figure out who the murderer is? Uncover clues and rule out suspects before they can strike again. Interrogate your fellow guests and examine the evidence to determine the killer and their motive. As guests work out the twists and turns of the case, Hilltop will present a 5 course dinner. The evening wraps up as the guests make their accusations. Prizes for the best solution (and the best dressed)!

Tickets are \$50.00 per person plus tax and gratuity.
Please call for reservations as spaces are limited.
Due to the nature of this event tickets are to be prepaid at the time of purchase
